

SMALL QUILT SILENT AUCTION

One of the best money earners we have during our show is the Small Quilt Auction . During the show these quilts are displayed and attendees can offer a bid on the small quilts they fall in love with. There is also a “Buy Now” price assigned to each quilt by the Silent Auction Committee. This price allows the show attendee to purchase the quilt on the spot for a pre-set dollar amount. These quilts are made and donated to the Guild by our members. They can be simple or complex—your choice. Make at least one for our silent auction and help the Guild make the income from our show soar!
